## *President's Letter*

Dear Quilters,

With our last meeting of the year approaching, I am thinking about how lucky we all are to be part of Quilt North! Our guild offers us so many opportunities to enjoy quilting, but it does not happen by accident. It takes many people many hours to make our guild what it is and for this I am very thankful! Please help me in thanking our members who are retiring from various positions this year:

- Big thanks go to Karen Frankel, our First Vice President, for offering us a wonderful year of lectures and workshops! That was a lot of work and we appreciate it!
- We thank Carol Swota, our Corresponding Secretary, for sending out notes and cards to those in need and for managing our enjoyable Quilt Market. Thanks so much for completing one term and signing up for another!
- Our Treasurer, Margot Elacqua, has done a wonderful job managing the financial side of our guild for the last two years. We thank you for doing this so quietly and efficiently!!
- We also thank Anne Lourinia and Mary Ann Lundy, our Co-Chairs of Opportunity, for offering us fun 'quilting stuff' in our raffles and for raising funds for the guild in the process!
- Thank you to Linda Gebhardt who stepped up and handled our Special Events. She organized our enjoyable Holiday Dinner with many donations collected for Cheryl's Lodge... and rumor has it she is planning something fun for our last meeting. I can't wait!!
- A big thank you goes to Joy Karns who stepped in this year for Pat Swole, our Recording Secretary, so that she could be with her family. Your efficient notes of Board meetings and elections was helpful and appreciated!!

Although these are the people retiring, many thanks also go to all the people who lead the various committees and make our guild as wonderful as it is. Our various charity work - comfort quilts, patriotic quilts, and caddies - is organized by MANY people and supported by all who work on them. All the ladies who support our communications - the newsletters, our web page, emails, our Facebook page - work tirelessly to keep us informed and connected. Not to mention, all those who make our meetings happen - those who set-up and take down, our Membership ladies and our Welcome Ambassadors, our Block of the Month program, our wonderful Library of goodies, the Freebie table, Travel opportunities and Zoom. We are a very fortunate guild with so many people working to help us enjoy quilting! Many thanks to all of you!

I hope you have an enjoyable summer filled with family and friends as well as some time for quilting! See you in September! *Deb Wolfert*

**June 5, 2023 Meeting**

## Stitching Self-Care into the Quilting Process

**Nichole McBride**

Join Nichole McBride, Licensed Occupational Therapist and Advanced Yoga Teacher for an evening of self-care. This workshop will teach awareness of body mechanics and strategies to alleviate stress during the quilting process. With the use of a chair and appropriate for all levels of fitness, you will leave with a tape measure long list of stretches and strategies to keep stitching along with wellness and ease.

### **2022-2023 Guild's Challenge: Adirondack**

Create a wall hanging with an Adirondack theme. What is an Adirondack theme? This could be the fabric colors, a landscape scene, animals and creatures, or items found in the Adirondacks. The choice is yours. Voting will be at our June 5<sup>th</sup> meeting by our membership.

Due: June 5<sup>th</sup> meeting

Size: no larger than 40"x40"

Special Requirement: Quilted project must be a finished item that has been finished in the 2022-2023 guild year.

### **CORRESPONDING SECRETARY**

If you know of any member who needs a card i.e., sickness, family passing or cheering up, please let me know at [swotacar@gmail.com](mailto:swotacar@gmail.com) or 518-899-2909.

### **QUILTERS' MARKET**

**Sunday, May 21, 2023**

Thank you to all who participated. It was a wonderful success! Donations to our Quilt North table have found a new home and our guild benefited from the sales.

## CADDIES

Susan Ahearn & Mimi Newnham

A caddy is a simple tote with handles that attach to a wheelchair or walker with Velcro. Kits are available for you and the completed caddies are brought to local nursing homes. Cell phone, water bottle and a book are common items found in a caddy. Easy to follow directions will guide you as you spend less than one hour sewing a caddy. This is a great project for a new sewer or the experienced sewer who needs to keep busy for a few minutes. A picture tutorial is on our website: [www.quiltnorth.org](http://www.quiltnorth.org)

## Comfort Quilts

Paula Dunn, Deb Kreifels, Lucinda Robertson,  
Charlotte Dugan, Airlee Bagley, Mimi Newnham

Stop by the Comfort Quilt table at the meeting and pick up something fun to work on this summer. If you already have a Comfort Quilt project to work on over the summer, we would love to see it at the September meeting. We hope to do a presentation of quilts for Camp Erin, the Hospice program for children who are grieving the loss of someone close to them.

Here is what was delivered in May: Captain-6, Things of My Very Own-8, Birthright (B. Spa)-5, Albany Med-5, Lifework-3, and Veterans & Community Housing Coalition-5. THANK YOU!!

### Patriotic Quilts

Laura Swensen

PATRIOTIC QUILTS– With the Help of Quilt North Members

Now that we are not meeting in the summer means you can squeeze in making patriotic quilts. It just takes 15-30 minutes a day to get the quilt done. As they said “Get It Done”

Most of the Patriotic Quilts are donated to the Captain John McKenna IV Military Courtesy Room at the Albany Airport. Please remember that the men and women of the military do appreciate receiving the quilts that come from our guild, Quilt North.

Also remember that a finished quilt is best, a top is fine and please try to add the binding with that. A lap size quilt (measuring 56” X 60” approximately) with quilting cotton fabrics to make a Finished Quilt or a Top. If you can only make a Top, if you can give the binding with it that would be great. There may be kits from the Comfort Team or sometimes me, just check us out.

Looking forward to more Patriotic Quilts to come. A Big Thanks So let’s get those sewing machines humming and SEW ON!! Laura Swensen

## **BLOCK OF THE MONTH**

Diane Lewinski, Donna Logan, Maureen Soris

It's hard to believe how fast this Quilt year has flown by! We want to thank all of our members who participated in the Block of the Month program this year and are looking forward to seeing some completed projects, maybe even at the June meeting! Or you can always work on your blocks during the lazy, hazy, crazy days of summer! There are three members who have not picked up all of their kits for the year. We will try to contact you and will have the kits at the June meeting.

In the meantime, we are preparing for next year's program. Our theme will be Seasons of Friendship and we will be doing pieced blocks for each of the four seasonal kits we plan to have. There will be two Friendship Star blocks and two original seasonal blocks incorporating smaller friendship stars for each of the four seasons. We will provide some background fabric and you will be using scraps and fabrics from your stash. The cost will again be \$25 for the year and there will be a limit of 25 participants. Signup will be first come (and paid), first served starting at the September meeting!

We hope you will join us! Watch the newsletters for more information! Stay cool and quilt on!

Diane, Donna, and Maureen

## 2024 EQF BOUTIQUE TABLE

Susan Spadaro, Coordinator until someone else takes over

During the April, 2024, Empire Quilt Festival (EQF) Quilt North will have a Boutique Table. With your help and creativity, we will offer for sale a plethora of handcrafted items related to quilting/sewing. This fundraiser for Quilt North has always been very successful. Let us all do our part to make it better than ever. It is never too early to start our projects. Please contact me at: [sassews2day@gmail.com](mailto:sassews2day@gmail.com) with your ideas.

An inventory list of items remaining from the cancelled 2020 EQF show is found near the end of this newsletter. These are the things offered for sale to our members but did not find a new home. Many other items (fabric, tools) were donated to QN for the boutique and as you may remember, over the last three years were sold to guild members, returned to the maker, or donated to senior centers and libraries (books and patterns).

Shall we have a workshop in the fall to sew and create together? We are a very talented group of women. Let us put that talent on display at EQF!

Thank you, Susan

## SEW N SHARE

June 22, 2023 6-8 pm Zoom

Who knew our members' creativity extends to naming quilt blocks? There was some pretty inventive naming during our recent Sew and Share. The time flew by as we enjoyed laughing and chatting together.

Please come join us on Thursday, June 22nd from 6 - 8 pm for our next Sew + Share. Since this time is just for Quilt North members, please share the link with only other members. Thank you.

We will continue to meet over the summer. Please mark your calendars for July 27th and August 24th from 6 - 8 to join us.

See you there! Rita and Jo

## 2023-2024 PROGRAMS AND WORKSHOPS

**September 11, 2023** September's lecture will be about a local attraction. Our speaker is President of the committee of the organization.

<https://scquiltbarntail.wixsite.com/scqbt>

Ginny Schaum has a creative nature and an entrepreneurial spirit. She attended the Fashion Institute of Technology in New York City, The Old English Lace School in Tiverton, England, and received a BS degree in Home Economics from the University of Tennessee, Knoxville. Under her guidance, the Schoharie County Quilt Barn Trail has created over 140 Barn Quilts.

Ginny enjoys challenges, but even she is surprised to have taken on the task of writing a book! The end result is "Barn Quilts Folk Art to Modern Obsession".

Ginny never misses an opportunity to design an elaborate costume, take a unique photo, or create an attractive tablescape. Due to supply issues (aren't we done with them yet!) September will not have a workshop, but I am working on scheduling a barn quilt painting workshop in the Spring – Stay tuned!

On **October 2, 2023**, our guild will host **David Taylor** – here is one of his recent works - Isn't it stunning!

Our own Angela Pachal took David's class and won a ribbon at the Vermont Quilt Show with a portrait of her dog!

David Taylor currently lives in Fort Collins, Colorado. His obsession with fabric began at an early age, salvaging tiny scraps from his mother's sewing area trash bin. He started creating on her sewing machine by age 10. After college, he began a 30-plus-year career in graphic design. His first quilt design was in 1999, collaborating on a fundraiser project for Strings Music Festival in Steamboat Springs, CO, with friend Madeleine Vail. Madeleine encouraged him to keep after it. In 2009 he left his job at an advertising agency, started teaching appliqué and quilting, and never looked back. His teaching adventures have taken him around the globe and his quilted artworks hang in numerous private collections.

David Taylor is a two-time recipient of the Master Award for Contemporary Quilting from the International Quilt Association (2006, 2014), the Brother Wall Machine Workmanship Award from the American Quilters Society (Paducah Quilt Week, 2008), and a two-time Best of Show winner at the IQA's Spring Festival in Chicago (2007, 2008).

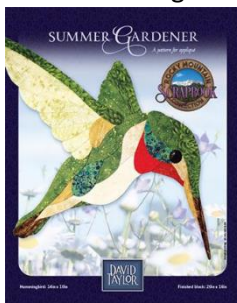

On **October 3, 2023**, David will teach a workshop on **Pictorial Hand Applique** that will be held at the Elks Lodge, 695 MacElroy Road, Ballston Lake, NY. From 9 AM to 4PM (with a lunch break). Workshop will be \$60.00 for members and \$65.00 for non-members. Kits will be \$30.00, payment at the time of the workshop.

You will have a choice of one of three pictures:

Sweet Pea

Hummingbird

Chickadee

On **November 6, 2023**, at Shenendehowa United

Methodist, we will have **Lisa Calle** returning with a lecture on how to design the quilting when finishing a pieced top.

Last year, Lisa's feathers class was a big hit and this time, she will be teaching ruler quilt work. Lisa Calle is a long-armed, a Bernina Ambassador and Award-Winning quilter! With her

humor and down to earth attitude, she will share with you her personal and professional journey of quilting. Lisa illustrates how she has earned renowned success from her initial piece using a "3/8" seam allowance, to her latest quilt that won awards at the Houston International Quilt Festival. As you gain insight on Lisa's amazing craft and her 3-step **Divide and Design** method, any hesitation you have regarding the patience or talent for quilting will quickly disappear. So, if you doubt whether you can quilt with pride, Lisa will give you the confidence and knowledge to start.

### **Divide and Design, Get it Done! Workshop**

skill level: intermediate

Do you feel overwhelmed when gazing upon a quilt feeling anxious that something creative and beautiful is beyond your scope? Have you observed pieces designed by quilters and thought "where do they come up with such originality?"

You are not alone, and the cure for such reluctance is just a class away. With Lisa's 3 step process you will approach the idea of quilting in a completely new way. Over the course of this class, you will divide large areas of your quilt into manageable small spaces, gaining the confidence and skill needed to produce a design that will make your quilt top sing and have you smiling with pride! You will soon discover that anyone can transform the everyday quilt into a masterpiece, and moreover turn those special quilts into treasured heirlooms. So do not let Quilter's Agoraphobia keep you from doing what you love; let Lisa's class provide the freedom needed to bring out the quilter in you!

The Workshop will be on **November 7** at the Elks Lodge, 695 MacElroy Road, Ballston Lake, NY. From 9:30 AM to 4PM (with a lunch break).

Workshop will be \$65.00 for members and \$70.00 for non-members. Kits will be \$35.00, payment at the time of the workshop.
