The Empire QuiltFest will provide security and insurance for your quilt while it is in our possession. The maximum insurance we will provide for an item is \$1000. This is a reasonable replacement of materials only. If you are concerned that the value of your quilt exceeds this insured amount, we strongly encourage you to have it appraised and covered under your homeowner's insurance. Security is a high priority for us and we will do everything possible to insure the safety of your project.

A brief description of your quilt is required for display purposes. Please include any pertinent information about your entry. Why did you make this quilt? What was your inspiration? Was it a challenging technique? We reserve the right to edit your description.

Quilts will be displayed according to their relative size and technique. Empire QuiltFest reserves the right to move any quilt into a more appropriate category.

Size Definitions:

- **Super large:** quilts larger than 96" in width and 96" in height
- **Large:** quilts larger than 60" in width and 80" in height and less than 96" x 96"
- **Medium:** quilts greater than 42" by 42" but less than 60" in width and 80" in height
- **Small:** quilts less than 42" in width and 42" in height
- **Miniature:** quilts 24" by 24" or smaller, and all aspects of the quilt are dramatically reduced in scale (for example, 1 foot = 1 inch).

Technique Definitions: Choose the technique that reflects your quilt. If your quilt is a mixture of both piecing and applique, choose "combined techniques."

- **Appliqué:** A quilt using appliqué as the predominant construction technique. It may be hand or machine appliqué.
- **Antique:** quilts that pre-date 1960.
- **Art:** A quilt from an original design, reflecting innovative construction and design techniques, theme or subject matter, and/or materials. No commercial patterns or copies of previous works allowed. Quilts must be made predominantly of fabric, have three layers, and contain hand or machine quilting.
- **Group:** Quilts made by three or more people. Please include a list of all participants.
- **Mixed Media:** Quilt design is predominantly enhanced with embroidery, stamps, beading, photo transfer, woven metals, paint, wool appliqué, crazy quilt, heavy embellishments, or thread painting.
- **Modern:** The characteristics of a modern quilt include, but are not limited to, the use of bold colors and prints, high contrast and graphic areas of solid color, improvisational piecing, minimalism, expansive negative space, and alternate grid work. "Modern traditionalism" or the updating of classic quilt designs is also often seen in modern quilting.
- **Combined Techniques:** A quilt where a fairly even amount of piecing and appliqué is used to develop the design of the top.
- **Pieced:** A quilt using piecing as the predominant construction technique, by hand or machine.
- **Quilts made by children (under 18)** can be of any size and are for exhibit only (not judged).
- **Theme:** The theme for Empire QuiltFest 2024 is "EQFX: Diamonds and Daffodils." These quilts must comply with the stated theme. Limit one entry per person. Maximum size of 42" x 42." Entry forms and photographs are required, but there is NO entry fee for these quilts. However, if you wish to have your theme entry judged, you must submit the judging fee. Be creative!

Design/pattern source: Please give accurate credit where credit is due for your inspiration and finished work.

The following must be received no later than February 15, 2024:

- Registration forms (one form for each quilt)
